The Fun Conversation Starters!

If you believe that every conversation has the potential to be interesting, meaningful and fun — you'll love TableTopics, the conversation starters. TableTopics is a collection of 135+ compelling and thought-provoking question cards packaged in a beautifully designed acrylic cube and available in Original, Family, Teen, Couples, Girls Night Out, and Spirit editions. It is a perfect solution for your hard-to-buy-for hostess gifts, teachers, friends and family on your holiday shopping list.

TableTopics Original Edition

The Original edition showcases across-the-board conversation starter questions from the amusing to the never-thought-about-that questions, all guaranteed to entertain and appropriate for all ages. TableTopics Original was created to enjoy with good friends, with family or to jump-start conversations with acquaintances.

TableTopics Family Edition

TableTopics Family edition was created to spark great conversation for all family situations including dinnertime, bedtime or in the car. Kids love to talk about what they think, and if you talk with your kids now, chances are they'll talk with you later.

TableTopics Teen Edition

Is there anything teenagers like to do more than to talk with their closest friends? TableTopics Teen edition sparks fun, interesting, and meaningful talks at parties, on dates, at gatherings — wherever. Roll with laughter getting to know secrets about your friends you didn't know!

TableTopics Couples Edition

What happy couples know is that the best gift they can give one another is themselves, and there is nothing better than an intimate time spent that starts from good conversation! Learn something new about your partner you'd never expect and perhaps even find out something new about yourself!

TableTopics Girls Night Out Edition

Sometimes a girl just must be with the girls! Make the experience even more memorable using these TableTopics conversation starters for women of all ages. Questions range from the hilarious to the thought-provoking, guaranteeing an entertaining conversation and time for everyone. You never know what you'll find out about your closest friends!

TableTopics Spirit Edition

Created and inspired by philosophers and leaders from many of the world's spiritual traditions, the spirit edition opens conversation about foundational beliefs. Bring the eternal to the everyday with thought-provoking questions that help to get to know someone else better, as well as yourself!

TableTopics retails for \$25, and is available online and at gift stores nationwide. For more information, ordering or to find a TableTopics retailer, please visit www.tabletopics.com.
