Does paltry pillow talk have you crawling under the covers? Banish boring chit-chat with **TableTopics Couples** (\$39.95; at Teatro Verde, 1-888-4-TEATRO). Newlyweds and smug marrieds alike will benefit from this collection of thought-provoking spousal questions that will bring you closer than ever before. So go on, fess up: What possession of your partner's would you like to throw away? What do you miss about being single? What makes great sex versus good sex? It's all in the name of good conversation.
